### Aging Happens

Consulting Service to guide families on quality living and care options

- We provide information and a service for Seniors & their Families.
- Our Certified Advisors® are experts in Senior Living Communities, including Independent Living, Assisted Living, and Skilled Nursing Facilities.
- We know pricing, amenities, care capabilities, style and “feel” of every community.
- We help families select & prioritize communities based on care needs, desired location, financial resources, and lifestyle.
- As passionate advocates for relevance in aging, we offer educational seminars, online and in-person, for related matters including living and care options.
- We strive to empower you with knowledge to make the best choices to stay relevant and manage your life.

### About

Sustained Relevance for Seniors:

As the owner and president of CarePatrol of the Greater Main Line, we promote a sustained relevance for seniors through informed decisions on long term care and living options. You can benefit from our free service to families and individuals on the best care options based on personal care, financial and socio-cultural needs. We work with independent and assisted living, personal care, memory care and long term care providers in the region.
